DETAILED ACTION

Election/Restrictions

1. Claims 24 and 51 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on 06/18/2004. This application contains claims 24 and 51 drawn to an invention nonelected with traverse in Paper No. 20040612. A complete reply to the final rejection must include cancellation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Claim Objections

1. Claim 48 is objected to because of the following informalities: The phrase "said latch housing" lacks antecedent basis. Applicant has attempted to put previously objected to claim 16 into independent form, but has neglected to include the limitations of canceled claim 15 upon which it was dependant. Appropriate correction is required.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Art Unit: 3764

4. Claim 34 is rejected under 35 U.S.C. 102(e) as being anticipated by Garth (U.S. 6,315,746). Referring to claim 34, Garth discloses a cervical brace comprising a chest plate adapted to be secured to the thorax of a wearer, the chest plate capable of being disposed over the sternum, and a chin strut extending from the sternum area to the chin support, the chin strut including means for attachment to the chest plate, and means for attachment to the chin support.

Allowable Subject Matter

5. Claims 14, 17, 18, 26, 31-32, 35-47, and 49-50 are allowed. Please refer to previous office actions for reasons for allowance. Claim 48 would be allowable upon correction of the minor informality listed in the claim objections section above.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
